

# Oblique

# Oblique

Con Oblique Tonalite ha voluto esplorare l'ambito delle superfici tridimensionali e degli effetti geometrici.

Oblique è presentata nel formato quadrato 15x15 con una superficie piramidale obliqua; questa configurazione si presta a pose in cui la geometria può variare sia per la posizione che assumono le piastrelle nello schema sia per la rotazione che assumono l'una rispetto all'altra. La luce crea giochi di luce e ombre differenti in relazione a come viene disposta la superficie obliqua.

La gamma colori è molto articolata e ai classici bianco, grigio e nero si aggiungono nuance più moderne come il verdone, l'acquamarina.

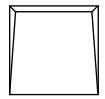

With Oblique, Tonalite wanted to explore the field of three-dimensional surfaces and geometric effects.

Oblique is presented in a 15x15 square size with an oblique pyramidal surface; this configuration lends itself to laying patterns in which the geometry can vary both due to the position of the tiles in the scheme and to the rotation that they assume in respect to the one another. Light creates plays of light and different shadows in relation to how the oblique surface is arranged.

The colour range is very articulated and to the classic white, grey and black we added more modern nuances such as dark green and aquamarine.

**Caratteristiche/Features**

La serie "Oblique" è prodotta in monoporosa e appartiene al Gruppo BIII (norma UNI EN 14411) della normativa europea vigente. Inoltre le piastrelle rispondono ai requisiti imposti dal marchio CE.

"Oblique" collection is made of white body ceramic tiles and belongs to the BIII group (Rule EN 14411). Moreover these tiles fulfil the necessary qualifications requested by the CE brand.
